

Congressional Campaign Internship Opportunity

Now that we're in the general election season, we're more eager than ever to get leaders to join us as we work to improve the lives of the people of the 44th Congressional District!

To qualify for our internship program students must be able to commit at least 10 hours a week to the campaign. We're happy to accommodate class schedules!

Interns will be taught the tactics employed by a modern political campaign. The program will be a great experience with a congressional campaign and an opportunity to display leadership skills and exhibit initiative.

If you're interested in volunteering or interning, please email your completed application to michaels@barraganforcongress.com by Monday July 25th at 5 pm.

"What a great experience! I got a great opportunity to go behind the scenes of a Congressional campaign and witness its inner-workings. It definitely surpasses any political science class and it's plenty of fun too!"

- Lauren Shaffer (21)

"As a political science major I was thrilled to work on Nanette's campaign and acquire some hands-on campaign training. Nanette and her staff are remarkably helpful and are always eager to facilitate a great internship experience."

- Scott Strgacich (21)
